Answer

THE MINISTER OF STATE FOR WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION

(PROF. SANWAR LAL JAT)

(a) & (b) There are 15 ongoing Water resources projects aided by the World Bank, Asian Development Bank and Japan International Cooperation Agency. These externally aided projects are implemented by the State Governments. The State Governments have been requested from time to time for speeding up the implementation of these projects.
A list of ongoing externally aided projects in Water resources for the current plan period showing the cumulative disbursement (as on 31.01.2016) as well as the completed projects is at Annexure-I.
